

From the President's Pen:

Saraswathi Muppana, MD

Dear Friends, I feel humbled and blessed to be representing the Indian Medical Association of New England, as PRESIDENT for year 2019 and truly appreciate the faith the past presidents,

have placed in me. I thank all of you for having helped me to get to where I am today with IMANE and especially 2018 IMANE president Dr Vikas Merchia for his transparency and guidance.

I am so grateful that I have a smart and brilliant team this year.

Thanks to all the sacrifices, time spent and the tireless effort that each and every past president, their teams and their families made to make IMANE what it is today, largest of its kind in New England area.
